Letter from the Principal

Dear Members of the Class of 2017,

Over the last four years I have been struck by your commitment to our community. When you first entered our school you came in as wide-eyed freshmen unsure of your place here but you quickly assimilated into the fabric of our community. During your time at SHS you were challenged to listen intently, defend your viewpoint, persuade others, mobilize groups of people, and develop a deeper understanding of the value of service to others. Your participation in the variety of events offered here broadened your perspectives and increased your understanding and appreciation of the world. From what I have witnessed you are ready to take on the challenges associated with the next phase of your life.

We are living in a time of unprecedented change. The pace of change can feel like a whirlwind; with each new day there is something new, however you must identify ways to slow down, take pause and live each moment to its fullest.

The key to your future success is to find an occupation or cause that will make you happy. First you have to identify what success means to you. Many people often think it's someone with the most material possessions and as you know that is not always the case. In order to be truly successful you must find something that makes you excited to wake up each and every day, a livelihood that you are willing to tackle with focus and determination. By finding something meaningful you will find success and true happiness.

As a graduate of Shrewsbury High School, you undoubtedly have the necessary skills needed to begin your pursuit of success and happiness. You have consistently demonstrated an ability to understand and empathize with the struggles of your classmates. You have demonstrated an ability to collaborate, work efficiently and respectfully with diverse groups of people, and even more importantly, you have reflected on your work and have demonstrated the resiliency to overcome obstacles. These attributes will put you in an outstanding position to find both success and happiness beyond the boundaries of our campus.

I am extremely proud of your accomplishments and I wish you all the best!

Sincerely,
Mr. Bazydlo

Clubs

Anime Club

Advised by: Ms. Penfield

During the meetings we discuss our goals and ideas for fun activities, such as attending the Boston Anime Convention in April, watching Anime movies, sharing our favorite Animes, and playing fun games around Anime. It is a great place to meet people with the same interests.

Asian Cultural Club

Advised by: Mr. Daniel Doherty

The mission of the Asian Culture Club is to share Asian cultural history and experiences within the club and throughout the Shrewsbury High School community. Each year, this concept culminates with Asian Culture night when the club hosts an evening of Asian food, music, and dance.

BioClub

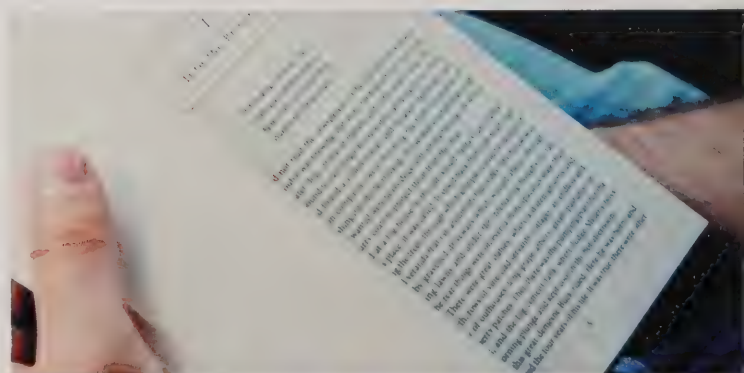

Advised by: Mr. Brocki

The Bio Club's mission is to spread our devotion to and fascination of biology through interactive labs, fun challenges, and sharing of knowledge. The club welcomes students in all grades, regardless of whether they have previously taken Bio. In our meetings, we conduct labs, go on nature hikes, and watch and share interesting videos. We also host "club challenges" such as photography or creating bio songs and raps, a fun opportunity for those with a creative mind.

Book Club

Advised by: Ms. Penfield

Book club reads and discusses democratically elected books ranging from J.D. Salinger to J.K. Rowling, and explores outside reading materials such as literary criticism. Members have organized and facilitated an elementary school reading program for at-risk students and a book drive at the high school. Book club members are fans of critical thinking, intelligent debate, and community service.

Chemistry Club

Advised by: Mr. Giese

Chemistry Club is a club for students that enjoy the science of chemistry and directly interacting with it.

Chess Club & Strategy Games

Advised by: Mr. Hruskoci

The Chess Club is for students who enjoy playing chess and for students who would like to learn how to play chess. Most students play socially, but clock timers are available for students who wish to play competitively.

Club of Rock

Advised by: Mr. Winn

The Club of Rock is a club to meet after school every Monday to discuss and learn about various bands/artists and genres which have made contributions to rock and metal (and all their subgenres). The ultimate goal of this club would not only be to educate people of the origins of rock and metal, major figures who have helped shape rock into what it is; but also to help create a rock-oriented community in the SHS society. We will explore new artists and genres that many people may or may not have heard of. This will help people have opportunities to form bands, friendships, and learn new instruments. Anyone who joins this club will be able to bring any instrument they want, including guitar, bass, and even a violin.

Computer Club

Advised by: Ms. Calabresi

The mission of the Computer Club is to spread awareness of Computer Science throughout the community. The club members travel to Sherwood Middle School to teach students Scratch, an introductory programming tool created by MIT, and to teach students how to build a computer.

Cooking with Chemistry

Advised by: Mrs. D'Errico & Mr. Giese

Destination Imagination

Advised by: Mr. Craft

Destination Imagination is a creativity program that allows students the opportunity to solve open ended team challenges. Each team will pick a challenge that they would like to tackle. The team manager acts only as a meeting facilitator. Each team member takes on a role for the meeting or the entire project. The team must develop a list of ideas, select the best idea, develop a plan, implement the plan, develop a story, usually with some sort of props, and present the story/solution.

Team member must do all of this while also practicing good team work and showing off their unique skills. This is an opportunity for them to really do what they love while building life long skills.

Dungeons & Dragons

Advised by: Mr. Gonzales

In a game world where dice determines success, Dungeons and Dragons is played on a square grid, with miniature avatars representing the various players. In the coming school year, the Dungeons and Dragons club hopes to bring new and experienced players together as the group plays through levels 0-10.

Elementary Tutoring

Advised by: Mrs. Jha

The Elementary School tutors volunteer at Spring Street, Paton, Coolidge, and Floral. Students aid teachers in classroom activities and work one-on-one with students who need extra help.

ELNA

Advised by: Mrs. Crosson

ELNA (Education and Leadership for a Nonviolent Age) is dedicated to supporting those in our community who are less fortunate than ourselves. A variety of service projects are being developed for the 2016 - 2017 school year. Past projects include cooking for Rachel's table, by providing meals to local shelters and also sewing pillowcases for children receiving treatment for cancer in area hospitals.

Engineering Club

Advised by: Mr. Wood

It is the goal of the club to have fun while engaging in engineering competitions. Students will gain useful knowledge while applying the design cycle to solve challenging engineering problems. The goal is to participate in VEX robotic competitions at WPI and QCC as well as the National Rocketry Competition TARC.

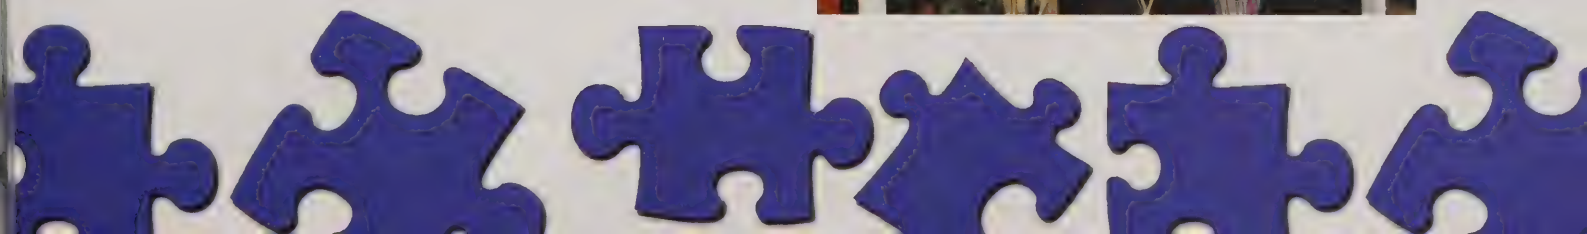

Excelsior

Advised by: Mr. Splaine

This club is Shrewsbury High School's student literature and arts magazine. Students in the club review student work and publish magazines several times per year. Excelsior also has a tradition of hosting "open mic" poetry slams and creative writing workshops. Excelsior's weekly meetings include not just reviewing literary and artistic submissions, but also discussing literature, poetry, and film, sharing snacks, and general convivial hobnobbing. New members are always welcome to stop by a meeting.

Fashion Club

Advised by: Ms. Steinberg

FIRST Robotics

Advised by: Mrs. McNally

The mission of Shrewsbury Robotics is to provide students in the Shrewsbury Public School system an opportunity to develop real world expertise in a fun, competitive atmosphere. We cultivate teamwork, creativity and problem solving skills, while teaching basic engineering concepts. Our goals rest on one very important principle: the belief that every student is capable of becoming an outstanding member of the community. Our goal is to tap into this hidden potential, utilizing our three most important relationships: the strong bond between industry and education, the strong bond between student and mentor, and the strong bond between Shrewsbury Robotics and the community.

GMAD

Advised by: Dr. Duggan & Ms. Peloquin

In G-Mad, we focus on loving the Ugandan children of Soroti Vision School. Our mission is to end poverty through love and education. We do fundraising events not only to reach our goal of \$10,000 dollars for a new school, but to inspire people in our community to join our goal to Globally Make a Difference.

Green Club

Advised by: Dr. Duggan

GSA

Advised by: Mr. Arnold

GSA Mission Statement: "The mission of the Shrewsbury High School Gender & Sexuality Alliance is to work towards a more accepting environment for all people, regardless of sexual orientation or gender identity through education, support, social action, and advocacy."

Helping Hands

Advised by: Mrs. Cobb

This group of students works to do things for people in the community. There is usually an emphasis on health and wellness. Some activities include, walks for charity, collections for charity, creating programs for the school community and making things for others. This is a very dedicated group that is caring and committed to doing things for others. They also work to be informative. In the past, the club has had a disease awareness week. Each day a club member gave information during the school announcements and created an information table during lunch. The group meets at least once a month and more often when there are events planned.

History Club

Advised by: Mr. Carpentier

Marine Biology

Advised by: Mr. Brocki

Math Team ~ Freshman

Advised by: Mrs. Gardner & Ms. Anderson

Math Team ~ Varsity

Advised by: Ms. Gardner & Ms. Anderson

Math Team represents Shrewsbury High in varsity and freshman math competitions against other schools. Typically there is one practice per week. Freshmen are welcome to participate in varsity meets.

Model UN

Advised by: Mr. Brown

After school club for students interested in international diplomacy, who want to meet with other students from SHS and from other schools to debate modern, pressing world issues. Members have the opportunity to attend state and regional conferences to compete against other high school teams.

Muslim Student

Advised by: Mr. Daniel Doherty

This is a group for Muslims in the school to get to know one another, and a forum for anyone who wishes to learn more about the Islamic religion and what it means to be a Muslim. The club organizes educational and Islamic activities every week which enable its members to increase their knowledge of Islam and practice their religion. The MSC also holds annual fundraisers, the proceeds of which are donated to the less fortunate.

MVP

Advised by: Mrs. Prior & Mr. Patrick Collins

The Mentor Volunteer Program was designed to assist incoming freshmen with the transition into high school. Students in grades 11 and 12 can apply to be a mentor in the spring. Mentors create activities and determine discussion topics to use with freshmen during homeroom. Mentors are also expected to attend meetings throughout the school year and to also use their Mentor homeroom to plan for the next activity.

NEAT

Advised by: Ms. Floyd & Ms. O'Connor

The New Entrant Assistance Team is designed to assist students in grades ten through twelve as they adjust to the demands and expectations of Shrewsbury High School. NEAT targets easing the transition of a smaller group of older students who are joining the community for the first time. Student volunteer ambassadors provide support through orientation sessions, tours, informal social networking through small group meetings and social gatherings throughout the school year.

Outdoors Club

Advised by: Ms. Butler & Mrs. Cobb

The Outdoors Club consists of a group of students that meet approximately once a month. The activities planned are determined by the weather. In the fall and spring, there is a local hike planned. Many times one of the hikes is to Purgatory Chasm in Sutton. In the winter, students have gone ice skating at the Buffone rink in Worcester. Other planned events from the past have been: rock wall climbing, horseback riding, geocaching and golf Frisbee. The club is looking forward to incoming freshmen joining and participating in our group.

Physics Club

Advised by: Ms. Roland

Political Action Group

Advised by: Mr. Daniel Doherty

This club promotes student involvement and understanding of our political world. Students attend events such as ones at the State House, various primaries, and elections. Students are asked to help organize voter registration drives of high school senior students and some elections within the school. Students meet to discuss current events involving politics and work to try to overcome voter apathy.

Science Team

Advised by: Mr. Tashjian

Service Learning

Advised by: Mr. Flynn

To empower students at Shrewsbury High School to become capable, active, caring and involved contributors in the community by promoting a culture of service learning.

Advised by: Ms. Quinn

Ski Club

Advised by: Ms. Gardner

Ski Club is an intramural club that meets once a week for 6 weeks after school and travels to Wachusett Mountain. We take a bus up to the mountain right after school and return via bus by 7. Students can purchase a 6-week pass, or get a discounted century pass through the ski club.

Special Peer Connection

Advised by: Ms. Cobb & Mr. O'Connor

A formal opportunity for typical students and students with disabilities to meet together once per month and participate in an activity as a group. Some activities that have taken part in Special Peers Connections are a trip to the AMC bowling alleys, making gifts for Mother's Day, designing T-shirts, and holding a car wash.

StuCo

Advised by: Ms. Moisan

Student Advisory Committee

Advised by: Mr. Smith

Town Crier

Advised by: Ms. Brown

This is the student led, student produced print newspaper that has been running for over 100 years. The staff currently supports over 40 students and includes writings in various topics. The department writers cover such stories as those in local news, SHS news, editorials and opinions, arts and entertainment, lifestyles and sports. This club offers students a chance to learn about journalism techniques. There are also leadership positions as editors, department editors, editors-in-chief and in marketing and finance. Joining the club is a commitment to the Town Crier but also to the school. Papers are printed and distributed to homerooms nearly once every term for students and faculty to read.

Student Innovation Team (SIT)

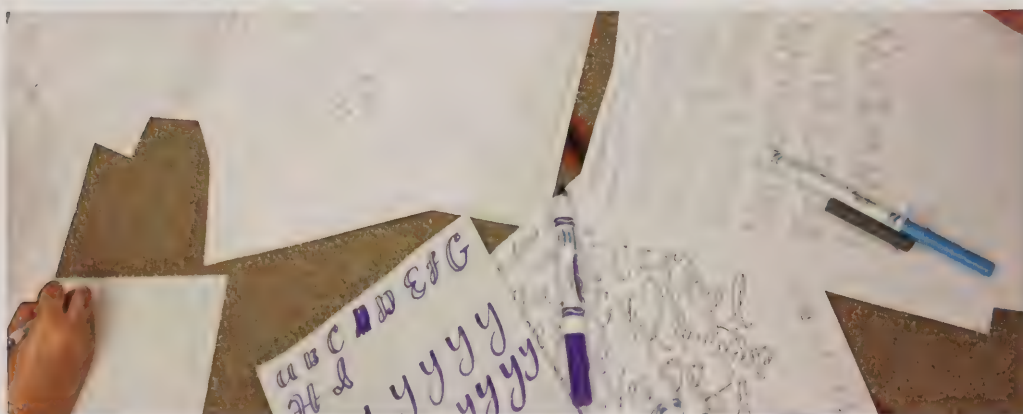

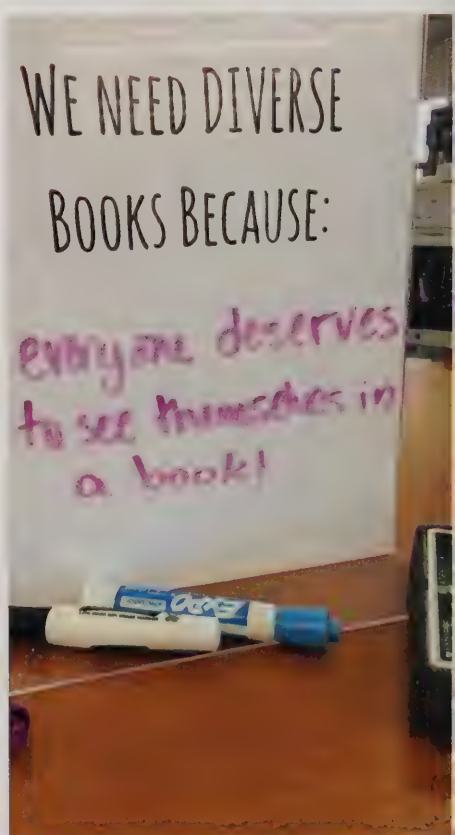

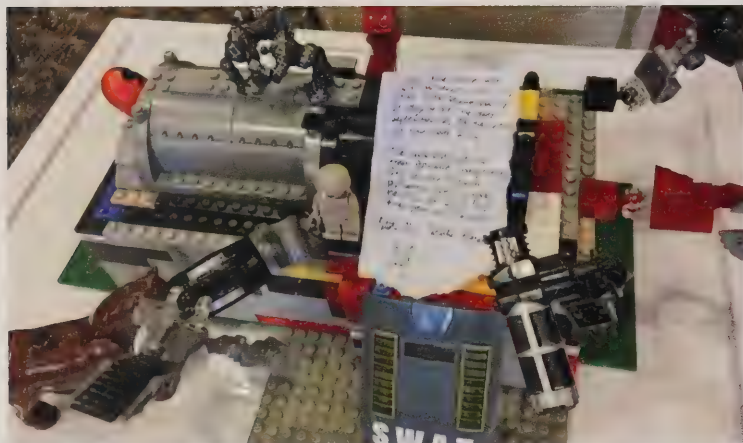

The Student Innovation Team (SIT) is the first-level of technology support for staff and students. SIT has created tutorials and how tos for both student and staff use on various apps and programs. Members of SIT have also spent an entire semester on an Individual Learning Endeavor (ILE) of their choosing. Topics have included learning to cook, conversational Arabic, are Gatorade products actually good for your overall health, and working with the Computer Club to organize the SIT Tech Team Summit & Hackathon.

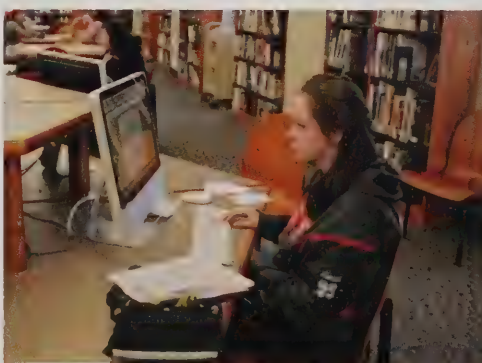

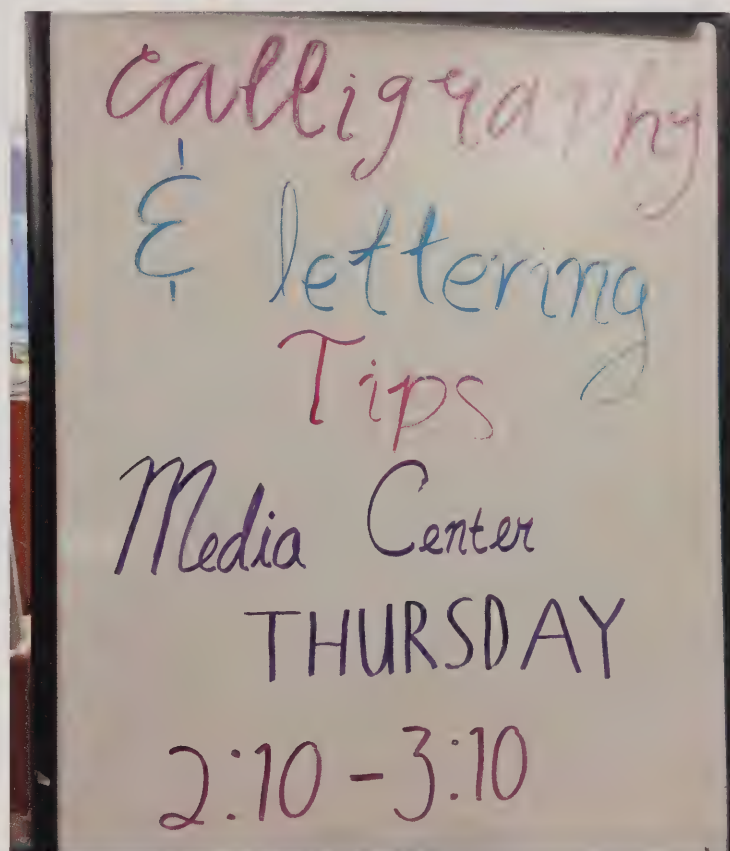

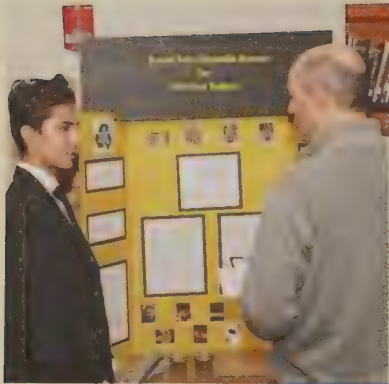

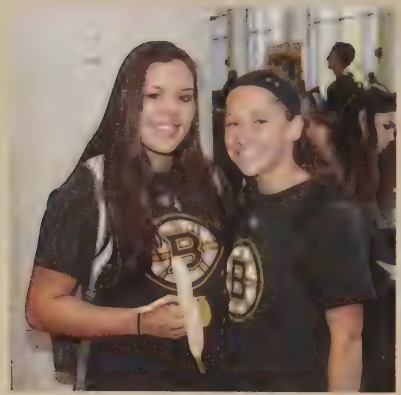

Media Center

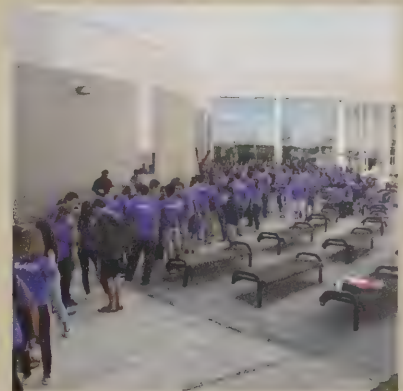

We love books and research up here in the media center, but we are way more than that. Thanks to help and support from the students in our Media Center Advisory Board, we have become a vibrant space for students across the school. The advisory board students picked out 20 books for the media center thanks to a grant from the Shrewsbury Alumni Association. They also helped to plan and lead programs in the media center after school, such as a knitting group and a calligraphy/lettering lesson. In May we will Skype with the author of Radius of Us by **Marie Marquardt**. This year has been filled with new books, graphic novels, coloring, puzzles, straw sculptures, knitting and more.

Seta Migridichian

Dear Seta,
 Graduation Day at last! Congratulations! Bravo! Well done! Hurrah! Wahooooo! We are so filled with love, pride and joy right now. We've watched you grow into a beautiful, strong and well balanced young lady. There are so many wonderful memories we share with you. What a personality you have...you captured our hearts with every word that you said and keep our lives filled with laughter. You truly have been a blessing in our lives. Most importantly Be YOU and stay true to your convictions. Stay kind, and lovely. Continue to exude your inner beauty to the world around you through your actions with every passing day. As you begin to move onto the next chapter of your life "College" you will continue to grow, learn and experience new opportunities, embrace the growth even when it is painful. Continue to look inside you through every external situation and follow what your spirit and heart are telling you. Not what others think, or say, or do. Remember that you are extraordinary. Exquisite. Devine. One of a kind. Do not allow anyone to tell you that you are anything other. Be YOU, because YOU is incredible. The next four years will be full of challenges, may you never forget how truly loved you are. Follow your dreams. Chase them in fact. Don't decide at 18 what you will do with the rest of your life because you will not know for sure. Seek education that will help you, in every aspect of your life, and be okay with figuring it out as you go. Plan, and be okay if the plan changes. Change is inevitable, and the more adaptable you become, the more successful your life will be. We love you more than words could ever convey. You are surrounded by so much love Seta. May you never forget that. And most importantly be YOU!
 With much love, health and happiness, Mom, Dad, Steven and Taline XOXO

Remember -

• You are going to make mistakes, which is a big part of life. Sometimes we cannot fix those mistakes, but we

Getting through life's difficulties requires faith that things will change.

Getting through life's hardships requires optimism that things will get easier.

Getting through life's challenges requires courage that things will get better.

Living life to its fullest requires having faith, optimism and courage all at the same time.

Emily Rose, I love you so much, and could not be prouder of who you are, all that you have accomplished and the person you are becoming. As you confidently face all life has to offer, here is a collection of thoughts and quotes to remind you that the path life offers is not always an easy one. I am sure some of these will makes sense to you now or soon, but others might not "click" for some time, and some may even hold different meanings as you move through life. I hope you can look back on this time and recount what life was like as a Senior at Shrewsbury High School before college, before your first new job, and all the other

"firsts" life has to offer.

can always choose to learn from them and not make those same mistakes again.

• Learn how to be hard on yourself when you are not being the best person you can be, but practice patience when you're learning how to be the best person you can be.

• Always try to be the best version of yourself, until a better version comes along, then don't be afraid to change and grow.

• There is always, always, always something to be thankful for, just ask the person who has less in life than you do, so remember to celebrate gratitude, practice forgiveness, and act with compassion.

• Other people won't typically validate you, because they are sometimes too busy waiting to be validated, which is not a line you want to get stuck in [waiting].

• Your Sister is the only person in the

universe who

grew up in the same house as you did, with the same parents, but will often times remember things entirely different than you do.

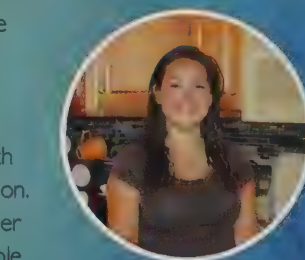

• If you are lucky enough to find someone who loves you for who you are, find a way to spend the rest of your life loving them for who they are.

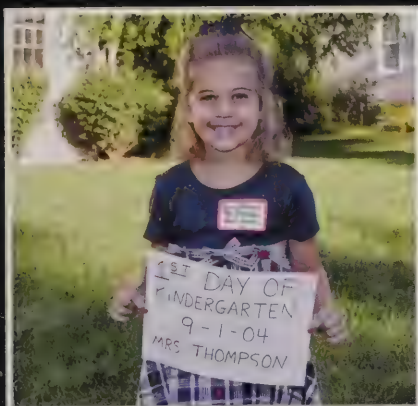

• Great things take time, so first decide if something is worth it.

• Don't always wait to prove someone wrong, to know when you're right.

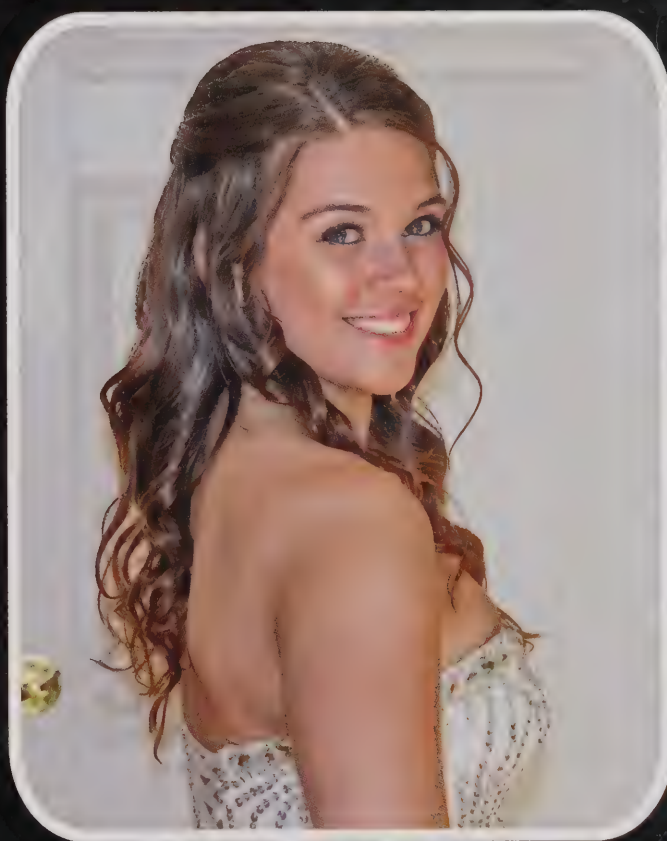

• Your biggest fears don't really exist, be a lifelong learner, and always Google it!

Hannah Cavaretta

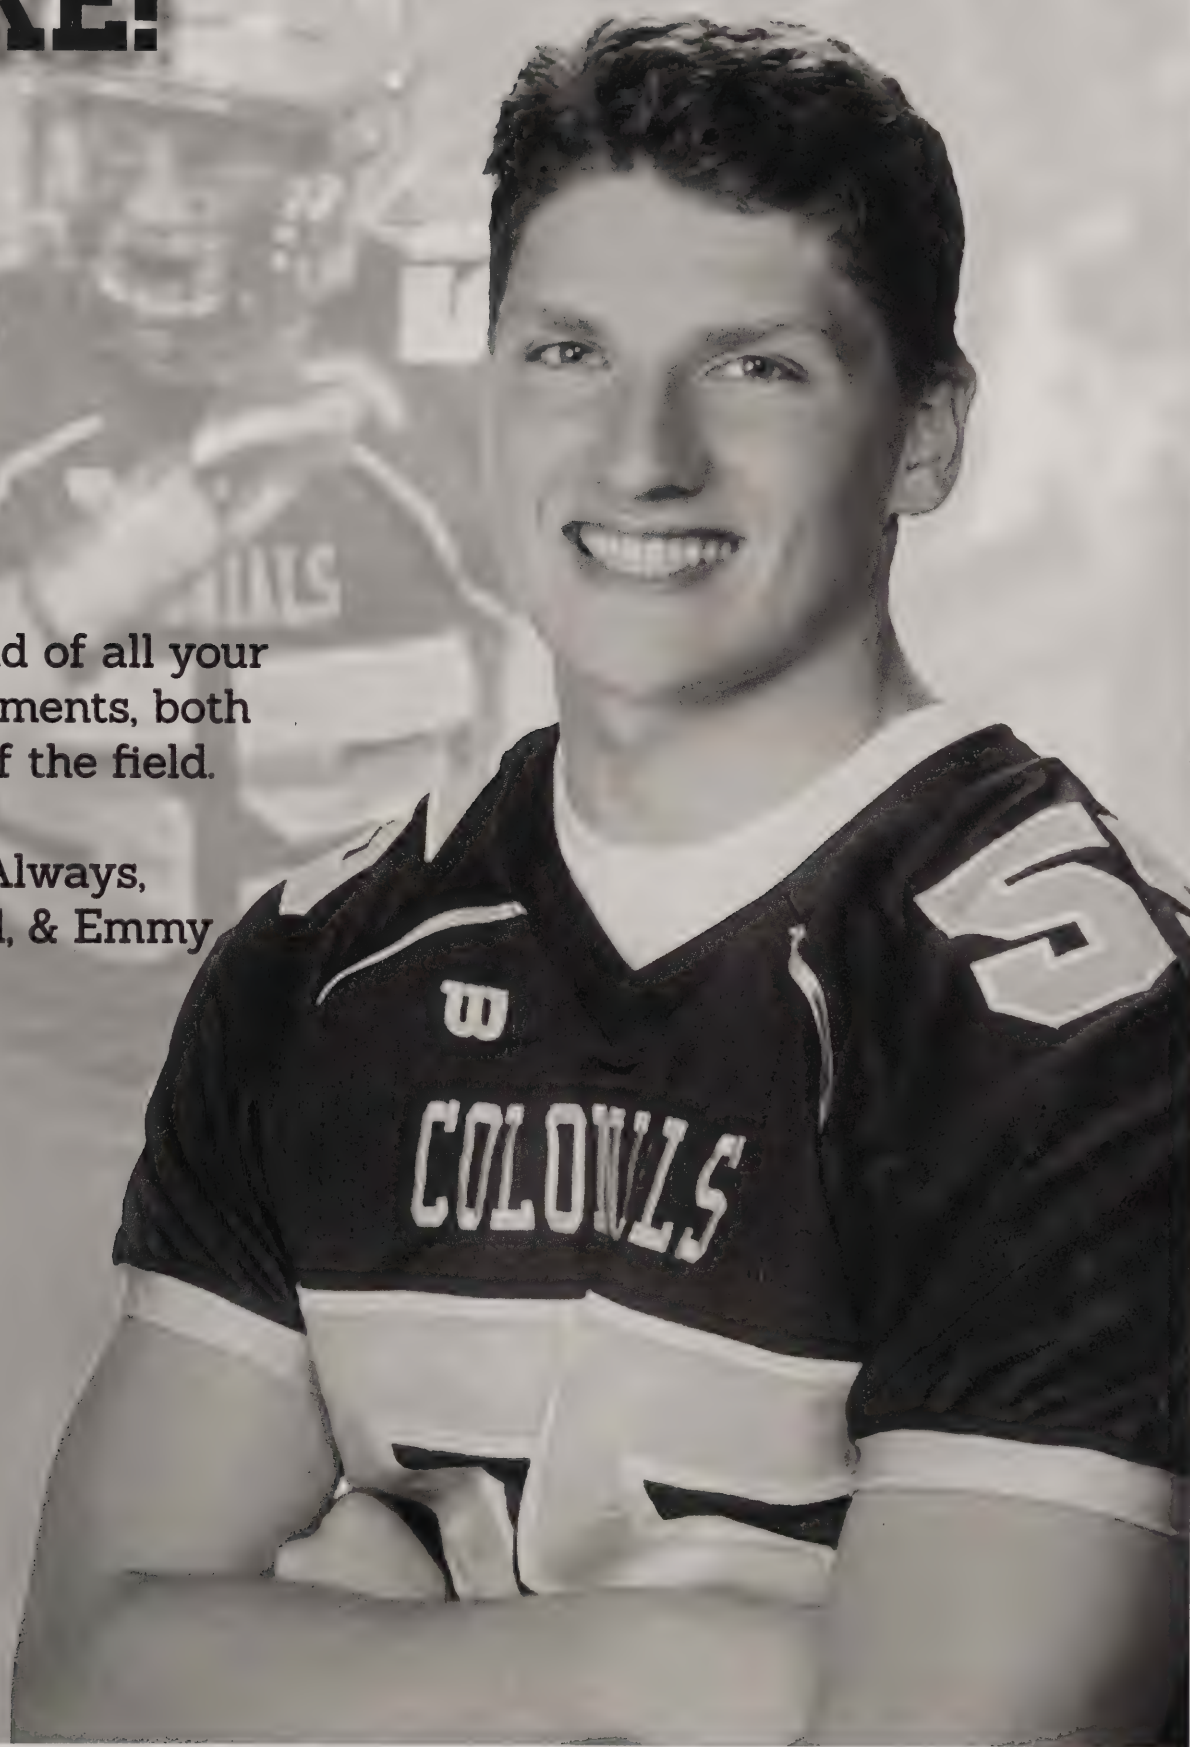

I can look at every school picture hanging on our refrigerator from preschool at Montessori to kindergarten at Beal West. Walking the rear path to Floral Street and taking the bus to middle school. I remember driving you to high school and you finally driving. Memories from both your first day of every school year and picture day seem like they were only a short time ago. You're wearing a big, colorful hair bow in every school picture until third grade. That year you found your voice, your style and your determination to obtain everything you set out to achieve! You have never looked back and never will. We are so incredibly proud of your academic achievements from your schoolwork, membership of two National Honor Societies and preparing for college. You have thoughtfully planned an incredible journey for yourself and we are so lucky to see where your success takes you!

DADDY'S GIRL

To our child,
We worry if you are tired and how your day has been
We pray that you are happy and surrounded by friends
A part of us still needs to hear these things from you,
Many days you are busy, but a simple "Hello I am fine"
Definitely will do.
You are an adult now and you have told us so,
But the parent in us can never completely let you go
As you will always be our baby and always on our mind
And sometimes we need to hear.
"Hello Guys!" I'm doing fine"
Wishing you a wonderful future on wings of blues

Aja & Maya, From the very moment we found out that there were two of you we loved you and couldn't wait to meet you, hold you and love you forever. 18 years have come and gone so quickly and now you're High School graduates preparing to go off to start the next chapters of your lives. If it is together or separate, you will always have each other and you will always have a home to come back to. You will always be loved, missed and welcomed back with open arms and all the love you can handle. You have always made us so very proud of the both of you with all your many accomplishments. Your hearts are big and the way you love everyone is inspirational. You're twins, sisters and best friends. You have equal and individual abilities that allow you to both show kindness to everyone, express your talents through your love of dance, art and photography. You both are such very beautiful people inside and out and that has touched our hearts every single day in a unique and special way that only you could both do. You are two and yet you are also one. Things will never be even but in your own ways always equal. We all look forward to what is yet to come from you both as you continue to grow and become the women you are meant to be. We love you both so very much and always will.
